BLUFF'S LANDING POKER & FISHING CHALLENGE MARCH 29-31, 2016

Kris Hawkins

*"If you love to **FISH** and enjoy winning at **POKER**, this may be the perfect place and event for you!"*

Kris Hawkins, Event Chairman

I am inviting you to one of the most fun events imaginable. Do you like catching big Fish? How about making the final table in a Poker Tournament?

I love to do both. And I have found many others who share the same interests. That's what inspired me to create the 2016 Bluff's Landing Poker & Fishing Challenge to be held March 29-31, 2016 in Corpus Christi.

I've actually been doing this for years on a smaller scale with a group of friends and business associates. We have gathered every Spring at Bluff's Landing Marina and Lodge, spending a few days doing what we love . . . playing poker and catching fish.

My closest friends have been telling me for some time now that I should expand our event, and when I realized that by doing so, I could also help out one of my favorite charities, I decided it was time. We will donate a portion of all registration fees to the Lone Star Paralysis Foundation. This Texas based charity is one of the nation's leaders in promoting research and recovery programs for spinal cord injuries.

It's looking like this could be a sold-out affair, so please make sure you don't wait too long to lock up spots for you and your friends. You were personally selected by either me or somebody in my current group to receive this invitation.

I hope you will join us. Look over the activities and features of our event, and if it looks like this is for you, please complete and return the enclosed Registration Form.

HAVE A GREAT TIME, HELP A GREAT CAUSE!

The **LONE STAR PARALYSIS FOUNDATION (LSPF)** is a worthy cause for us all to support. It is a non-profit that has become one of the nation's leaders in promoting research and recovery programs for spinal cord injuries.

This organization was originally founded in 1988 in Austin by its Founder & President Doug English, and is

involved in three aspects of spinal cord injuries: research, recovery, and recreation.

Its ultimate Mission is to cure spinal paralysis through funding research, advanced recovery, and recreation. Since its inception, over \$6.4 million has been raised to support this Mission. Their goals continue to be ambitious, and they need our help.

To meet them. Please be there for them.

You are already helping by participating in our event since a portion of all the registration fees are being donated to this great cause.

FISHING TOURNAMENT STARTS WITH CALCUTTA AUCTION

The Fishing Tournament takes place on Wednesday morning (March 30th), but the fun and excitement all starts at the Welcome Party on Tuesday evening when we talk about the tournament rules, set the teams, and conduct the popular Calcutta Auction.

For this tournament, we will be using 4-person teams. Choose your own team members or jump into the luck of the draw. Each team will draw for a guide and boat.

Once the Team Captains are chosen, you can bid on your own team and/or on other teams in the Calcutta to win any of the various prize categories. The auction gets wild and crazy, and is

so much fun.

The professional fishing guides we have lined up are the most experienced in the business. Your guide will take you to the best spots in their fast and

well-equipped fishing boats and provide you with the latest gear and best bait.

The Coastal Bend of South Texas is one of the richest fishing grounds for "Monster Speckled Trout" and Redfish. The hyper-saline shallow waters of the Laguna Madre and Baffin Bay provide the ultimate in light tackle fishing. You might even be like Bud Rowland who set a new Texas state record in the lower Laguna Madre when he landed his 15-pound, 6-ounce Speckled Trout.

Once the fishing is done, the weigh-in will take place by our Tournament Director. You'll have to wait until that night at the big Fish Fry Awards Dinner to see which teams and bets have won!

LIKE POKER LEGEND DOYLE BRUNSON SAYS . . .

**"POKER IS WAR.
PEOPLE PRETEND IT IS A GAME."**

There will be no lack of poker action during this event. Poker will be played every day. Play starts Tuesday afternoon with some cash games and lasts through the evening.

After the Fishing Tournament and lunch on Wednesday, you will have the chance to enter a \$50 buy-in Texas Hold'em Tournament. This fun event will feature multiple rebuys and an add-on, which will benefit the Lone Star Paralysis Foundation.

Thursday brings us the Main Poker Event — a Texas Hold'em Championship. Your entry fee is included in your Registration fees. You will be able to rebuy into this tournament if necessary, but only once. Winners will be recognized during the Poker Awards Dinner that night, which is also our farewell party.

Tournament Director Adam Altwies will bring you a first-class poker experience, much like he did in opening and building the world famous ARIA Poker Room in Las Vegas. You will have professional dealers, real poker tables, and all of the proper game supplies. Need a lesson, that's no problem either . . . so don't let limited playing experience hold you back. We can teach you how to play. No matter what your skill level is, you can make it to the final table.

Now all you need is a little luck, right? But remember: Poker is War!

Anybody Can Win A Prize !

There will be drawings throughout the events. Thanks to our gracious sponsors, all you have to do is wait until your name is called.
